[Body:]

Fight back with the strongest anti-spam solution available.

Thank you for requesting your FREE guide, "Fighting Spam: Maximum Results for Minimum Cost." Review the guide online to learn how to keep your email system safe and spam free — at the lowest possible cost. If you have any questions, please contact an Email Security Specialist at 1-650-426-5310.

Try VeriSign Email Security Service FREE for 30 days and see how it can protect your business. In addition to your FREE guide, we invite you to experience VeriSign Email Security Service — FREE for 30 days.

Your 30-day FREE trial will include:

- Triple-layer spam filtering guaranteed to block more than 90% of inbound spam with virtually zero false positives
- Two-layer virus scanning on all emails to block out virtually all email-borne viruses
- Easy-to-use spam quarantine accessible for 24x7 for all users
- Secure access to Web-based administration and comprehensive reporting tools

Receive the benefits of VeriSign Email Security Service immediately, with no hardware or software investment needed. Even better, there's no risk or obligation to buy!

Note: VeriSign Email Security Service is designed to provide spam filtering for organizations that can configure their mail servers to route inbound email to VeriSign for processing.

Spam is growing at an alarming rate. Fight back with VeriSign Email Security Service. Try it for yourself — FREE for 30 days.

Sincerely,

VeriSign

P.S. [View an Email Security Service Demo Preview](#)

VeriSign Email Security Service is a managed spam filter and antivirus scanning solution that limits the costs associated with enterprise mail management.
